

AMERICA'S NO.1 FAUCET BRAND

Features

A mesmerising faucet suite, cascata innovatively pours by tipping the spout like a water pitcher. A faucet valve facilitates direct control that requires no finger strength, making it a pleasure to operate the Cascata. The basin faucet comes with an indu that allows you to present temperature along with providing shower options to choose from, adding to your bliss

- Chrome finish is highly reflective for a mirror-like look that works with any decorating style
- Knob handle for a more conventional look
