

CRAFT GLUE

Description

Selleys Craft Glue is a water based PVA adhesive specially formulated for quick adhesion for craft work. The product is an off-white paste which is clear when dry.

Uses

- ▶ Fabrics
- ▶ Felt
- ▶ Cardboard
- ▶ Leather
- ▶ Suede
- ▶ Wood
- ▶ Paper
- ▶ Most plastic films (other than polyethylene and polypropylene)
- ▶ Sequins

Technical Features

- ▶ Easy to use – no mixing ready to use straight from the pack and only need to apply to one surface
- ▶ Fast Drying – initial bond can usually be achieved in a few seconds
- ▶ Dries clear
- ▶ Spills don't stain and it's easy to clean up with a wet rag
- ▶ Non-toxic – low odour and environmentally friendly
- ▶ Contains no flammable solvents
- ▶ Solvent free – no fumes and non-flammable
