

AMERICA'S NO.1 FAUCET BRAND

Aqua Suite Filtering Faucet

Features

AquaSuite provides separate cold, filtered drinking water with the convenience of simple single-hole installation – perfect for a secondary sink or use in conjunction with your kitchen faucet. Plus, the traditional high-arc spout design pairs perfectly with nearly any decorating style.

- Chrome finish is highly reflective for a mirror-like look that works with any decorating style
- One-handle lever handles make it easy to adjust the water
- Laminar
- Single hole mount creates a cleaner look against custom countertops
