

## ARBOR 2-WAY FILTERING

### Features

Arbor's smooth profile is tailored to perfection. The slight flair of the handle and the curve of the spout make this a transitional look that works with a variety of decorating styles.

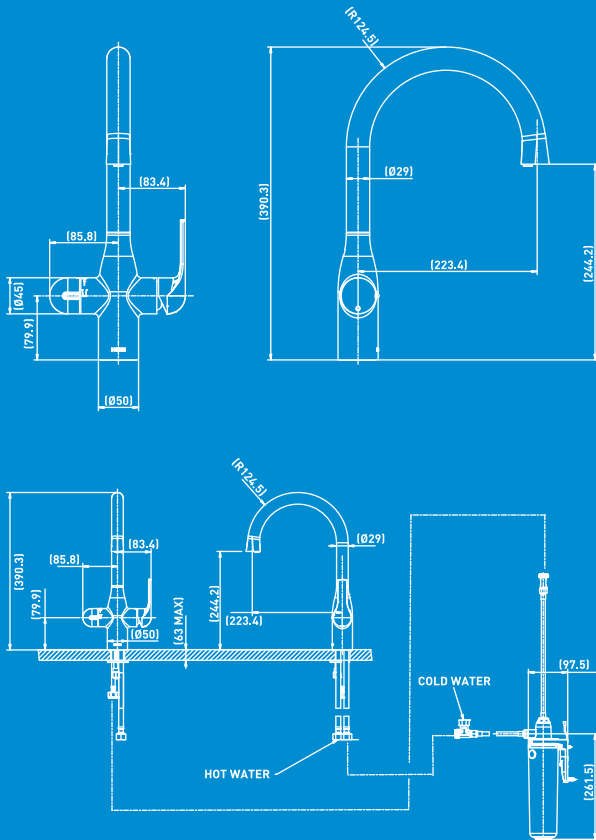

- Chrome finish is highly reflective for a mirror-like look that works with any decorating style
- One-handle lever handles make it easy to adjust the water
- Aerated stream for everyday cleaning standard design mounts on the sink or countertop

- Filter does not remove beneficial fluoride.

## Tailor-made design, healthy combination

Tap Water

Filter Water

- Innovative US lead-free technology to remove harmful metals.
- Red copper pipes can kill germs to ensure water safety.
- Embossed filter water spout keeps tap water apart to avoid water interaction.
- Separate 2-way channels design to ensure 360° spout rotation without twist.
- Patent Moen Duralast cartridge, extra durable. Faucet can turn on and off 500,000 cycles.
- Smooth handle to rotate, convenient to operate.
- Easy to observe function interchange.
- Easy installation. Recommend to work with Moen ChoiceFlow filter 9601, it can remove multiple harmful materials.\*
- Won 2013 iF Design Award.\*\*

### \*\*Related information about iF Design Awards:

Since 1953, iF design awards are among the largest and most important international design awards: the iF label is a seal of quality known all over the world.

iF logo awards manufacturers and designers working in product design, communication design and packaging design annually. It has become an internationally acknowledged symbol of outstanding design.

In this year, 1920 participants from 51 countries submitted 4352 products to join this competition. Moen's Arbor 2-way filtering kitchen faucet won the award.
